Safety Labels and Data Plates

All labels and data plates on the smokers have been revised to include the French translation as required by ANZI Standard Z83.11 / CSA Standard 1.8 and all labels have a consistent format and color scheme. The colors of the labels indicate the following:

Blue -	Notice -	Addresses practices not related to physical injury
Yellow -	Caution -	Indicates a hazardous situation which, if not avoided, could result in minor or moderate injury
Orange -	Warning -	Indicates a hazardous situation which, if not avoided, could result in death or serious injury
Red -	Danger -	Indicates a hazardous situation which, if not avoided, will result in death or serious injury
